## UP CLOSE...

Khadijah is the third-eldest of 13 children and continually seeks out personal growth opportunities to be the best mother she can for her three young children. She lives life to the full and is known for her optimistic outlook and agile nature.

Khadijah is an **adaptable and proven asset management specialist, with vast experience delivering solutions across a diverse property portfolio including retail, industrial, commercial and hotels.**

She started her career as a cleaner at Centrepont Tower in Sydney, where she worked at the observation deck. She was quickly promoted to a supervisor role, where she completed asset maintenance training, before being promoted to Manager. After a brief period working in real estate residential sales, she returned to the industry and worked for Glad Group, managing the cleaning services at Westfield Bondi Junction and was promoted through a number of managerial roles supporting training and compliance across a national footprint and supporting a variety of industry sectors. She then spent almost a decade working for Scentre Group (Westfield) where she was promoted through numerous roles **working at a Centre, Regional and National level and led company-wide improvement and innovation initiatives.**

**“True partnership is achieved when there is trust, conversations are open and transparent, and goals are aligned.”**
