

PETER WEBB | FINANCE MANAGER

UP CLOSE...

Kind and caring by nature, Peter is someone who will help anyone in need, including complete strangers. Outside of work, he is a keen lawn bowls player, and he leads a team in the local competition.

Peter is a dedicated and committed bookkeeper with a **strong reputation for confidentiality, accuracy, and integrity.**

He is an expert in all areas of bookkeeping, with around **30 years of experience in the profession.** Throughout his career, Peter has worked with clients in a variety of industries, including **health, hospitality, and business management.** He also gained extensive experience in the **security industry** working for global software company Securenet Monitoring Services for more than five years.

He has vast experience maintaining accurate company-wide financial records for companies with more than \$3 million annual turnover, as well as managing accounts payable, accounts receivable and staff payroll. He has managed a **number of large and complex projects for clients,** including **transitioning accounts between different accounting softwares while maintaining complete accuracy.**

Peter first joined Ozland Group Solutions in January 2020 to assist in a part-time capacity, before joining the team as the permanent Finance Manager in July.

Peter is hardworking and reliable, and is known to go the extra mile to get the job done, and get it done properly. He's driven by the day-to-day challenges in bookkeeping, and loves finding his clients **simple solutions for complex problems.** As a leader, Peter is **caring** and **always backs his staff,** no matter what.

“I am a problem solver, and get the job done as soon as possible, and as thoroughly as possible.”
